

About Us

*TheCapitol.Net is the exclusive provider of
Congressional Quarterly (CQ) Executive Conferences.*

*We are a non-partisan business that came out of Congressional Quarterly
in 1999. CQ had offered many of our courses since the 1970s.*

*Our courses and workshops cover the legislative process, budget process,
congressional operations, how public policy and foreign policy are
developed, advocacy and media training, business etiquette,
business writing, and our Capitol Hill Workshop.*

*The 150-plus experts who teach and write for us are all independent,
subject matter experts, and include senior government executives, former members
of Congress, Hill and agency staff, editors and journalists, lobbyists, lawyers,
nonprofit executives, scholars, and other experts.*

*All of our courses, seminars and workshops can be tailored to meet educational
objectives for your organization, and presented on-site at your location.*

*We have worked with hundreds of clients to develop and provide
a wide variety of custom, on-site training and consulting.*

We publish hands-on books for practitioners, written by subject matter experts.

*All of our booklets and audio CDs, and many of our publications,
can be customized with your logo.*

*Our 2,000-plus clients include Congressional offices, federal and state agencies, the
military, news media, NGOs, and large and small organizations across the country.*
