Core Competencies

TheCapitol.Net is a non-partisan small business that provides legislative, budget, communication, and media training and publications.

- TheCapitol.Net came out of Congressional Quarterly (CQ) in 1999
- Half-day to five-day training programs, including “Capitol Hill Workshop” and “How Washington Works”
- Training designed to meet wide variety of leadership competencies
- Custom on-site training for select clients across the country
- All training includes written materials
- All training is off-the-record
- We can provide our Portable WiFi Classroom™ with laptops for your attendees
- More than 100 audio courses, from 1/2 hour to 2 hours long
- Publications, including *Congressional Deskbook* and *Legislative Drafter’s Deskbook*

Past Performance

TheCapitol.Net has more than 2,000 clients representing congressional offices, federal and state agencies, military branches, business associations, foreign delegations, news media, and NGOs. We have developed and delivered custom training for numerous federal entities, including:

- DFAS
- State
- Navy
- GAO
- SSA
- NIH
- CIA
- EPA
- USDA
- FAA
- Treasury
- LLNL
- US Senate
- FBI
- USPTO
- Sandia
- USCG
- Joint Chiefs

Company Facts

Founded in 1999, TheCapitol.Net is a privately held Virginia corporation headquartered in Alexandria, Virginia. All training programs open to the public are held in Washington, DC. We work with select clients within the U.S. and abroad in presenting customized, on-site training. Please visit our website at www.TheCapitol.Net.

Differentiators

Several facets of our training set us apart:

- More than 150 faculty members, all of whom are independent subject matter experts.
- Faculty include senior government executives, former members of Congress, congressional and agency staff, editors and journalists, lawyers, nonprofit executives, and scholars.
- The company came out of another non-partisan firm, Congressional Quarterly (CQ), in 1999.
- Our publications, written by leading subject matter experts, complement our training programs.
- All of our training programs are off-the-record and use written agendas and include written course materials.
