The Defense Budget

Held each year in late February, this course concentrates on the President's new fiscal year defense budget proposal and how Congress responds to it. Experienced faculty members explore and study key documents, charts and graphs, budget allocations and projections provided in this budget.

The defense budget request is carefully analyzed, focusing on winners and losers, DoD's budget authority by title, weapons systems, budget by service, military transformation and Congress's response.

Leadership Competencies emphasized in this course:

Financial Management • Strategic Thinking • Accountability
Decisiveness • Entrepreneurship • Financial Management
Political Savvy

This is an elective course for the Certificate in Congressional Operations.

Topics

- Appropriations and Authorizations in a Nutshell
- Analysis of the President's Defense Budget Request
- Winners and Losers
- Breakdown of DoD's budget authority by title
- Weapons Systems
- Budget by Service
- Military Transformation
- Congressional Response and How to Protect Your Programs' Appropriations

Approved for
.6 CEUs from
George Mason University.

Course materials included.

Time and Dates

Courses

The President's Budget

This course, held each year in mid-February, focuses on the President's next fiscal year budget proposal released in early February. Our faculty discuss the policy initiatives of the President and how Congress will respond to them.

Attendees participate in a comprehensive overview and analysis of the President's budget, trends, congressional response, appropriations and authorizations process reviews.

Leadership Competencies emphasized in this course:

External Awareness • Strategic Thinking
Financial Management • Political Savvy

This is an elective course for the Certificate in Congressional Operations.

Topics

- Appropriations and Authorizations in a Nutshell
- Overview of the President's Budget
- Analysis of the Budget Submission
- Congressional Response

"This course provided me with a precise overview of the budget process with current and future budget issues."

Market Analyst, Siemens

"The detailed explanation of terms, what process steps are, etc., will make understanding these issues much simpler."

2010 Attendee

"All good speakers."

CFO, Office of the Ohio Attorney General

"Gave me good background info on the entirety of the approps process and not just the piece I deal with."
